

MATSITI 2014 Schools Calendar

The MATSITI 2014 Career Dreaming wall calendar/poster is an initiative of the More Aboriginal and Torres Strait Islander Teachers Initiative to promote teaching and other career options for Indigenous people.

It is distributed nationally to 'Focus schools', university education faculties and Indigenous higher education units, Aboriginal and Torres Strait Islander education advocates, career advisers and community organisations.

The calendar is also intended to be used as a practical learning resource for Aboriginal and Torres Strait Islander studies in schools and universities. The calendar includes examples of significant cultural and education dates and events for Indigenous Australia.

The print calendar forms part of a broader digital campaign for young Indigenous people to consider teaching and other occupations as a career of choice. A more comprehensive collection of significant dates and interactive resources is available at www.matsiti.edu.au/2014 - see over.

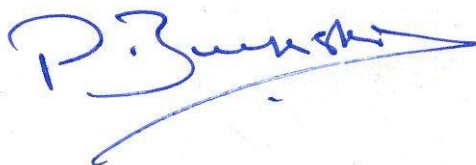

I invite you to forward and display copies of the calendar for maximum visibility and impact, such as:

- School classrooms and libraries;
- Indigenous units and learning spaces in schools and universities;
- Study and career counsellors, marketing units, workshops and expos;
- Aboriginal and Torres Strait Islander community organisations; and
- Directly to Aboriginal and Torres Strait Islander teachers and education staff.

Additional copies will be available for a limited period by contacting the MATSITI Project Team on info@matsiti.edu.au or telephone (08) 8302 0051.

We hope you find the 2014 wall calendar a useful and educational resource. Feedback on the calendar itself and how it is being used are welcome.

I encourage you to help us address the vast under-representation of our people teaching and leading in education.

Professor Peter Buckskin PSM FACE
Dean: Indigenous Scholarship, Engagement and Research
University of South Australia

MATSITI 2014 Digital Schools Calendar

www.matsiti.edu.au/2014
#ourmobteach

A complementary digital version of the MATSITI wall calendar is available through a range of social media channels – including Facebook, Twitter and Instagram.

In addition to viewing events through mobile devices, calendar events can be embedded in websites, Facebook pages and other channels that can accept 'feeds' – see the MATSITI website on how to access these.

Use of the tag **#ourmobteach** will increase the visibility of student successes, programs and community activity to promote teaching as a career of choice for Aboriginal and Torres Strait Islander people.

Details of student competitions and other online activities will be advised during term one.

Feedback is welcome at info@matsiti.edu.au.

This Project is funded by the Australian Government through the More Aboriginal and Torres Strait Islander Teachers Initiative and project managed by the University of South Australia.

Distribution of the calendar is supported by the Australian Council of Deans of Education.
